### ESSENTIAL FUNCTIONS AND CLASSIFICATION OF A FIREFIGHTER:

The fundamental reason this classification exists is to protect life and property through firefighting and EMS activities. Often performed under conditions that require strenuous physical exertion. Major elements of a Firefighter's work are the participation in code enforcement activities performed by fire companies, supervised drills, and training in firefighting and EMS skills. Some time is spent in special and routine maintenance of equipment and apparatus along with routine care of buildings, grounds, and public education activities. Work at the fire station and scenes of fires, is normally performed under close supervision in accordance with well-defined procedures, and is inspected in process and upon completion by the Fire Captain. Occasionally, employees in this class may be required to relieve an officer of higher rank and when so assigned, are responsible for the management of all company programs and the supervision of assigned fire companies and equipment at the scene of the fire until relieved of command by an officer of higher rank. Firefighters may be assigned to work on special assignments which call for special abilities and knowledge attained through experience and training.

### ESSENTIAL FUNCTIONS:

- Lays and connects hose, holds nozzles and directs water stream, raises and climbs ladders and uses chemical extinguishers, bars, hooks, lines, and other equipment at the scene of fires;
- Performs salvage operations;
- Administers EMS to injured persons, frequently using advanced techniques to restore cardio-pulmonary functions;
- Participates in fire drills and attends classes in firefighting, EMS, and related duties;
- Performs general maintenance work in the keep-up of the Fire Department property;
- Inspects buildings and premises for compliance with fire laws, checks on complaints and aids in the investigation of arson cases;
- Inspects commercial and noncommercial buildings;
- Signs citations and gives testimony in court in connection with fire code enforcement activities;
- Attends public gatherings to ensure observance of fire safety requirements;
- Conducts tours of the station house for scouts, civic, and other interested groups;
